

## Weekend Information- April 2019

Hello our fellow travelers, families, and caregivers!!! Below is some information for the upcoming weekend trip. We will have the Soc/Rec cell phone with the following number for the weekend: 610-506-6723.

We will be meeting at Helping Hands on Friday at **12:00pm**. Staff will quickly be “checking in” each traveler for emergency information, etc., in our lunchroom area or by the front doors. **Note:** We have an updated weekend sheet, so all participants need to fill out the new paperwork.

If desired, please pack a “carry-on” bag for the van ride down/back. Feel free to bring your music/headphones, puzzle books, reading material, or snacks or any other items desired. Please note, once we board the vans, we will not have access to your luggage until you are at the house.

**\*\*\*NOTE:** Please do NOT pack your medications in your luggage. Staff will be checking in medications, etc upon arrival. Please make sure that all medications are appropriately labeled for administration. If they are not in blister packs or bottles, you will **NEED** a printout with a very clear description for staff. **If this is not done adequately enough, you may risk not being able to participate in the trip.**
